

## Permanent Way Objects in the National Railway Museum Collection

Last updated 27 Dec 2013

This lists the permanent way objects (items, including models) that are in the NRM collection. It is based on the NRM website catalogue. It is sorted by NRM object ID. Note that the large number of items catalogued in 1977 is soon after the opening of the NRM in York in 1975.

It includes items identified from the following search terms, used in "Collection Search" on page <http://www.nrm.org.uk/OurCollection.aspx>

- rail chair,
- Blenkinsop,
- Sleeper,
- Spike

Other items identified by:

- Object ID numbers adjacent to other object IDs for p.way items,
- Objects seen in NRM, including "Warehouse",
- Browsing through catalogue "Our collection, Building the railways, filtered for "all"
- (I have not yet browsed the catalogue of "Our collection, Using the railways, filtered for "all"
